Sir Robert Falconer,

Toronto

Dear Sir Robert,

I did not learn until yesterday that you were not yet back from Philadelphia but understand that you are expected on Monday.

Dr Abbott, Dr Reeve and myself met at luncheon today and discussed the suggestion of Dr Reeve that some of Dr McCrea's class mates should be approached with a view of instituting amongst the members of his class of his year a movement to provide a memorial to him and the course determined upon was, that we dine together at the York Club some night next week; Thursday night would be a convenient night if it suits you. If not, Wednesday, Friday or Saturday will answer me.

Perhaps you will be good enough to let me know sometime on Monday whether Thursday would suit you and if not what other night.

Yours faithfully

J. J. Masten

My dear Mr President,

I regret to say that I am obliged to leave town on Sunday night 10 P.M. & may not be back till you are gone so that I shall not be able to meet you on Monday morning as proposed by your Secretary -

I am asking Prof. Mac-Donnell, Dr Abbott & Angus Macmurchy to act on the Special Committee which I was to nominate to act with you & myself -

At a meeting of the executive held this afternoon Dr Abbott told us that he has a man who will in his opinion fill the post well I have an inkling that

you will phone me when you have considered it. I have my judicial brethren dining with me at the Golf Club tomorrow P.M. & shall be leaving town myself about 5 P.M. for the club & expect to be home at 11 P.M. also for Saturday morning & you could catch me at the Golf Club from 4 P.M. Sorry to be so difficult

Yours

J. Martin

has also to secure a loan of $ for a couple of years on his dwelling & lands under mortgage to the Standard Loan Co. & that application will be considered at the next meeting of the Board of Directors which is to be held on the 15th inst. & that his application will be considered with all the more favourable consideration if you would kindly support it.

I wonder if it would be of any use to you to have a copy of the Statement of Claim in the Action of Mc Pherson v. Mc Pherson & Mc Pherson et al. which I have prepared & which will be filed on Monday next. I could get a copy made for you if you would like to have it.

Yours very truly

Mr. Justice Masten,

Toronto.

Dear Mr. Justice Masten:

To-day the meeting of the Board was very small but I was authorised to proceed on the assumption that when we have a lease ready to submit to the Board for appointment they will ratify it granting a salary at the rate of One Hundred and Seventy-five Dollars ($175.00) a month, and that Five Hundred Dollars ($500.00) will be set aside for travelling expenses in connection with the Alumni Association.

I am making inquiries still as to a suitable person. If any name occurs to me before I sail for England I will let you know.

Wishing you a pleasant holiday,

I am,

Yours sincerely,

President.
